

Mountain Cup 2006 – Tentative Competition Schedule

Below please find the Tentative Schedule of the 2006 Mountain Cup competition. Please note that this schedule might undergo modifications until the beginning of the competition. Upon arrival you will receive the program booklet with the Final Schedule. As last year, there will be joint warm-ups for some categories; these will be marked in the Final schedule. Please read the schedule attentively to find out if you are concerned. We don't want you to miss your warm-up! Due to the number of participants this year (130!), we cannot make practice ice available on Friday. However, there will be warm-up sessions of 20 min. each available on Saturday from 06.00 to 07.40 hrs and on Sunday from 07.10 to 08.10 hrs which can be booked upon arrival in Villard. In these sessions, there is no possibility of practising individual programs.
